# Christmas Service

Christmas Day · December 25, 2017 · 11 a.m. · Jakobskirche, Weimar

---

A Christmas Service in English will be offered this year again in Weimar at the Jakobskirche ([www.ek-weimar.de/kirchen/jakobskirche](http://www.ek-weimar.de/kirchen/jakobskirche)). We invite all those who enjoy celebrating Christmas in English. We plan to listen to scriptural readings, sing traditional and modern Christmas carols together, and celebrate Christmas in community with one another. There will also be a program for children during the worship service. A little reception with coffee/tea and biscuits will follow the service. Please feel free to bring your friends and family along to share the holiday spirit and meet new people.

**If you need more information or would like to join the preparations, please don't hesitate to contact**
